20 Patients Moved To New Hospital, Everything Is A-O-K

Monday was moving day from the old hospital to the brand new million dollar Everglades Memorial Hospital located on Bartfield Highway. J. C. Simonds, administrator, said yesterday that 20 patients were moved without mishap and that all were safely tucked into their beds in the institution in less than three hours after the move started at 1 p. m.

Just recently the sewerage was linked up and everything is in full operation to care for the hospital, Mr. Simonds said.

It is hoped by hospital officials that everything to be moved would be in its place in the new hospital by sundown Wednesday. This schedule was to be carried out Mr. Simonds said.

Only a very few things were moved from the old hospital and among them were the following: X-Ray machine, delivery room equipment, operating room equipment, instruments, kitchen utensils and food and drugs.

A new dietitian is on the job in the person of Mrs. Brill from DeLand. She is a registered member of the American Dietetic Association.

6,000 Acres Of Corn Is Planted Now, About 4,000 More

By Saturday night of this week there will be 6,000 acres of sweet corn planted for the fall crop, according to figures released by officials this week. Another 4,000 acres will be planted before the fall crop is all in the ground, they said.

Following Hurricane Betsy reports were bruited about the area that the fall crop had suffered severe damage. Officials have changed their mind about this report now and say that "very little damage" was done by Betsy.

Some of the top leaves were severely burned on some of the growing corn at the time of the hurricane but this seems to have been overcome by favorable weather.

Bob Hutton plans to have sweet corn on the market within the next 15 to 17 days.

Delray Beach Next Blue Devils' List, Win Opener 40-0

Pahokee Blue Devils travel to Delray Beach tonight to meet the team representing that high school in the Devils' second game of the season. After going winless through the 1964 season the local aggregation came back strong last Friday night and soundly trounced the Clewiston Tigers by the whopping score of 40 to 0.

Clewiston wasn't able to move effectively against a rugged Pahokee defense, sparked by Sam Rayburn and Jack Sherrod at tackles, with Eddie Upthegrove leading with seven unassisted tackles.

The Devils moved the ball so well by both rushing and passing that they didn't have to punt a single time.

Jerry Peacock scored three times, once on a 47-yard ramble, with his favorite play a quick pitch from Quarterback John Pell.

Pell's passing totaled two touchdowns, as he hit James Tyson for 20 yards and Keith Padgett for 14, while Mike Sanders added another six-pointer on an off-tackle slant. Peacock kicked four placekicks.

Baptists Buy Lot For New Pastorium Will Haul In Fill

Canal Point Baptist church members have negotiated the purchase of a lot on Third street in Canal Point as the site for a new pastorium to be erected in the not too distant future. The lot is 125-112½ feet and is located next door to the home of Mr. and Mrs. Joe P. Parker.

A special building and plans committee is working on plans and expect to present them to the church body at an early meeting. The new structure will be modern throughout with many conveniences.

Officials of the church are planning to have 1,000 cubic yards of fill hauled in on the lot before any construction is started. Hauling of the fill will start within the next few days, it was pointed out by church officials.

Mr. and Mrs. Bill Whitcomb and daughter, Pam, returned to their home in St. Petersburg Sunday following a weekend visit with her parents, Mr. and Mrs. Jack Spencer, and family.

State Missions Program Held Here By Local Baptists

The Canal Point Baptist Church observed the annual State Mission emphasis Tuesday, September 21, beginning at 11:30 in the sanctuary with a devotional by the pastor and the call to prayer by Mrs. J. The luncheon then began in the recreation room of the church where the room was decorated in purple and white with interest centers representing the departments to receive allocations from the State Mission office.

Miss Ruth Bagwell, Florida Baptist Convention Woman's Missionary Union C. A. director, was the featured speaker along with Mrs. J. J. Cater, Palm Lake Association Sunbeam director and Mrs. H. C. Danner, Palm Lake Association Y. W. A. director. Mrs. W. E. Schleeter, associational W. M. U. president, led in the opening prayer.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00); \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Don Hilliers Move To The East Coast

Moving to Lake Worth last week after being long-time residents of Pahokee were Mr. and Mrs. Don Hillier. They are now making their home at 302 Cornell Drive, College Park in Lake Worth.

During their residence here Mrs. Hillier was quite active in civic work and served for the past two years as president of the Pahokee garden Club.

Before his retirement Mr. Hillier built the Everglades Memorial hospital, the Sanders Building and many other buildings in the Glades. A few years ago he built the Grassy Waters motel which the Hilliers operated for several years before selling it. Their many friends in the Pahokee and Canal Point area will miss them greatly.

RETURNS TO COLLEGE

Miss Linda Wilson accompanied by her mother, Mrs. Lon Wilson, left this week for Cutbert, Ga. where Miss Wilson will begin her sophomore year at Andrew college. Mrs. Wilson will go on by bus to Hendersonville, N. C., where she plans to spend two weeks as the guest of her son-in-law and daughter, Mr. and Mrs. B. Elliott, and daughters.

Mr. and Mrs. Claude Padgett had as their weekend guest, their son, Denny Padgett of Ocala.

"Clothesline Art" Is Displayed By Sorority

The playroom and swimming pool area at the home of Mr. and Mrs. Joe Tom Boynton was transformed to represent a Monte Carlo Casino and sidewalk cafe especially for members of Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, and their husbands on Saturday night, Sept. 18, the occasion being the first social event of the fall season for the chapter.

As each member arrived at the party, she was given a numbered sheet of paper and crayons to draw pictures and display her artistic skill for the "clothesline art" show.

After making the rounds at the casino, guests returned to the sidewalk cafe for the buffet dinner, featuring chicken-breasts cooked in wine sauce, salads and vegetables, and were seated at tables covered with red and white table cloths and lighted with glowing candles to add a romantic touch to the scene.

Before the dessert course of cherries jubilee was served, the group surprised Mrs. Wilma Alley with a singing "Happy Birthday" wish.

Following dinner husbands were judges of the "art" displayed on the clothesline. Mrs. Ruth Tillery won the first prize ribbon and the first prize money—a million dollars in play money.

On the committee in charge of arrangements, serving with Mrs. Boynton, were Mrs. Frances Moore, Mrs. Valerie Davis, Mrs. Ruth Tillery, Mrs. Evelyn Lair, Mrs. Eva Spooner, Mrs. Wilma Alley and Mrs. Dorothy Hillier.

Mrs. Reba Golden Is New Circle Member

Mrs. Reba Golden was welcomed as a new member of the Gertrude Shirley Circle, at the meeting at the home of Mrs. E. D. Sims, Jr., with the chairman, Mrs. E. D. Sims, Jr., presiding.

Mrs. John A. Briley presented the program, which was based on a chapter from the book, "Living in Such An Age." She also gave the devotionals, using the third and fourth verses from the 43rd chapter of the Book of Psalms as the text.

Members were asked to contribute books of trade stamps, any kind, for the purchase of various items in the furnishing of the new parsonage now under construction in the 800 block of East Main St. They were also urged to support and encourage the young people of the church by regular attendance to Sunday evening worship services.

Mrs. Sims was assisted with the serving of refreshments at the close of the meeting by her mother, Mrs. Nannie Malloy, co-hostess.
